TOSHIBA

Toshiba recommends Genuine Windows® XP Professional

Satellite Pro A100

Versatile performance for today's digital lifestyle

Ultra modern desktop replacement with all-round performance widescreen display yet highly portable – great for travelling with great connectivity and wireless enabled for greater flexibility.

Increased reliability and productivity

- Intel® Core™ 2 Duo Processor and ATI Mobility™ Radeon® X1400 graphics for the perfect balance between mobile processing technology, enhanced Multimedia and value
- Move between various work locations with greater ease using pre-installed Toshiba ConfigFree™ software for simplified wired and wireless network connectivity, plus the ability to switch location profiles and settings as needed
- Latest Toshiba design offering superb functionality and flexibility, ideal for desktop replacement
- Bundled Genuine Microsoft® Office OneNote™ 2003 offers the flexibility of a paper notebook and the power of digital note-taking

Astonishing video entertainment

- Excellent Trubrite® 15.4" WXGA TFT 16:10 widescreen display for the home and office environment
- ATI Mobility™ Radeon® X1400 graphics for high end multimedia capabilities
- Advanced Multimedia capabilities using ATI's VideoShader™, Fullstream™ and LC Enhancement Engine for media intensive tasks, digital content creation or video processing and games
- Directx® 9.0 Graphics support offering high performance graphics for digital Multimedia application

Wide range of connections

- Wireless LAN
- 10/100 Ethernet LAN port
- Bluetooth™
- International v.90 modem (v.92 ready)
- i.LINK™ (IEEE1394) port
- 4 USB 2.0 ports
- TV-out port

RoHS

CPU performance may vary from specifications under certain conditions such as the use of battery instead of AC power, certain external peripherals, certain multimedia applications or network connections, complex modelling software and in areas with low air pressure at high altitude (1,000 metres above sea level) and/or certain temperatures. CPU performance may also vary from specifications due to design configuration. Under some conditions, your computer may automatically shut down as a normal protective measure. To avoid risk of lost data, please make periodic back-up copies. For optimum performance, use your computer only under recommended conditions. Please read detailed restrictions in the product resource guide, visit the Toshiba website: computers.toshiba-europe.com and/or contact Toshiba Technical Support. For PC's configured with 4 GB of system memory, the full system memory space for computing activities will be considerably less and will vary by model and system configuration. One GB means one billion bytes. Battery life may vary depending on applications, power management settings and features utilised. Recharge time varies depending on usage. Battery may not charge while computer is consuming full power. After a period of time, the battery will lose its ability to perform at maximum capacity and will need to be replaced. This is normal for all batteries. To purchase a new battery pack, see your accessories information that shipped with your computer or visit the Toshiba websites at computers.toshiba.nl or computers.toshiba.be. Small bright dots may appear on your TFT display when you turn on your PC. Your display contains an extremely large number of thin-film transistors (TFT) and is manufactured using high-precision technology. Any small bright dots that may appear on your display are an intrinsic characteristic of the TFT manufacturing technology. Intel, Intel logo, Intel Inside, Intel Inside logo, Intel Centrino, Intel Centrino logo, Celeron, and Pentium are trademarks or registered trademarks of Intel Corporation or its subsidiaries in the United States and other countries.

Genuine Microsoft and Windows are either registered trademarks or trademarks of Genuine Microsoft Corporation in the United States and/or other countries. All trademarks are acknowledged. Product specifications, configurations, prices, system/component/options availability are all subject to change without notice. Product design specifications and colours are subject to change without notice and may vary from those shown. Errors and omissions excepted.
